Sir:

In compliance with applicants duty of disclosure under 37 C.F.R. 1.56, enclosed is a copy of literature references that have come to the Applicant's attention in parallel European proceedings. The Obst et al. reference has an English abstract indicating that this reference is concerned with a delivery simulator with multimodal interaction that consists of a haptic, a graphical and an acoustic user interface, which are connected to a biochemical model for the birth process itself and a physiological model of both mother and child.

In the event that any fees are due with this paper, please charge our Deposit Account No. 02-2135.

Respectfully submitted,

By
